Folks,

Our A&T election ballot closed on Friday evening with 36 members voting--thank you! Here are our new A&T Leadership Team for 2018-19!

Communication and Project Development:

Nick Seigney

Amanda Whitworth

Curriculum and Student Engagement:

Scott Coykendall

Budget and IT Planning

Phil Lonergan

CONGRATULATIONS TO ALL!

WRITE-IN RESULTS:

Where there were some write-in candidates, the above members had substantially more votes than any additional names listed. None received more than two write-in nominations for the above posts, while all of the above members received 20+ votes; therefore the above candidates won the positions.

Personnel Update: The cluster passed a motion at last week's meeting to revisit the personnel position as a cluster to decide how to revise the position to make it more manageable and appealing for next year. :-)
The leadership team above has been tasked in getting input from the cluster (via a meeting, email, ??) before we proceed with the personnel position.

I also have a meeting with Dean Vascak Thursday at 11 to discuss the cluster election and our difficulties with the size and scope of our current proposed personnel position model.

If anyone has any questions about the ballot or election results, feel free to contact me or Nikki Nunes. Thanks again to Nikki for creating the ballot for the cluster!!

Cheers,

Ann

P.S. Reminder: as a result of our early spring nomination process, Matt Kizer (MTD) will be our Provost's Council rep for next year. John Krueckeberg, I believe, will also be on the Provost's Council as a TLT rep.
